

Five Points Benefits Solutions, LLC

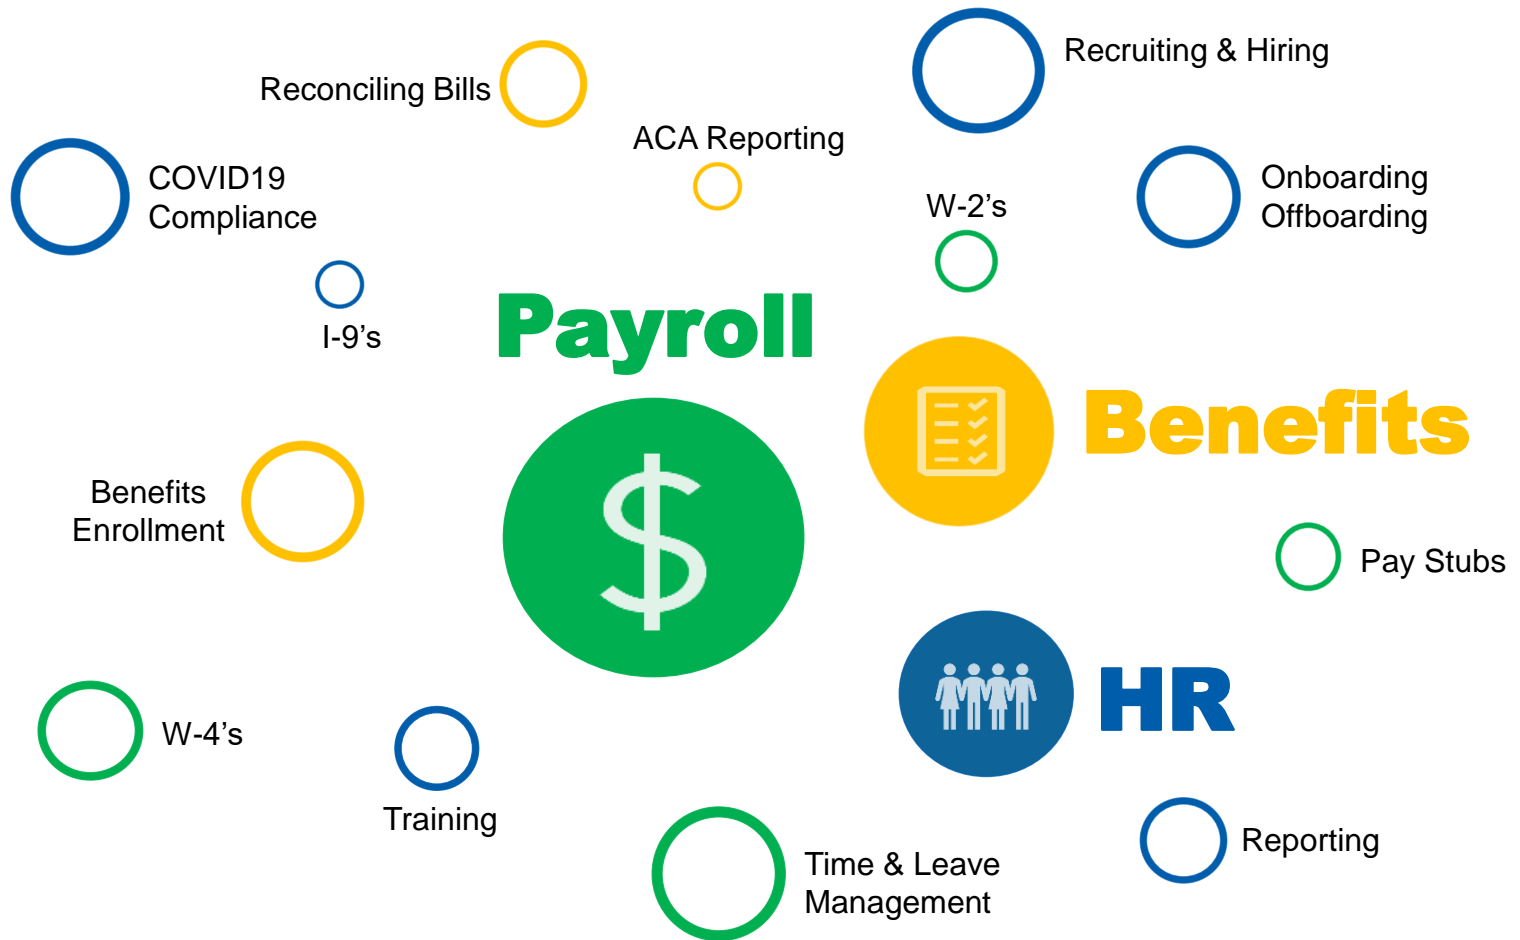

150+ Tennessee public sector employer clients, many of which are counties.

Serving over 65,000 public sector employees in TN as employee benefits broker or consultant.

Employee Life Cycle Management - The Problem

From recruiting to retiring, employers struggle with how best to streamline and connect their employee life cycle.

MyBenefitsChannel.com (MBC) - The Solution

MBC streamlines best-in-class benefits and HR software with employee payroll data, all in One place, with One username and One password!

- Connects employee life cycle with payroll
- Reduces double entry
- Automates manual processes
- Eliminates paper files and storage
- Minimizes errors
- Helps maintain regulatory compliance
- Provides strong reporting capabilities
- Supports changes in workforce
- **Creates time for other important things**

Works with various payroll vendors, including Local Government, Munis, and Skyward.

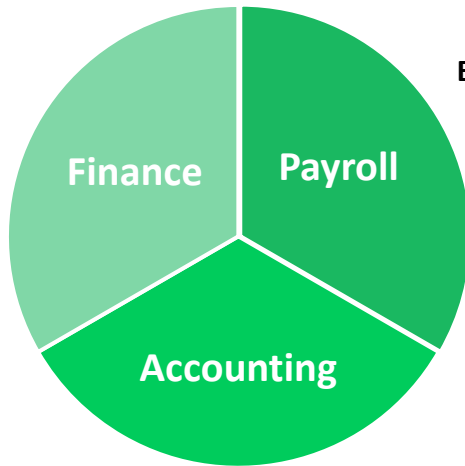

How MBC Works

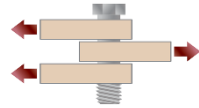

MBC connect your payroll information, HR, and benefit providers.

Employees have secure 24/7 online access.
